

# SCULPT & CONTROL with DENIS

Infinite possibilities in the way you look

## ORIGINAL GREASE

**EXTRA SHINY HOLD NET.100g 2,300 JPY**

For long-lasting extra shine and resilient hold

The Challenge was to create a most gentle product for hair and scalp yet enable a day long shine and the maximum hold. The natural ingredient will only require a quick wash and is easily removed. Grease is firmer so great for controlling thick and volumous hair and the water soluble nature of the product is perfect for wet hair. Has slight sexy sweet scent.

○ Slightly sweet scent, high quality castor oil

## ORIGINAL SPRAY

**EXTRA STRONG HOLD NET.150g 1,600 JPY**

With the quality & texture of the SPRAY, you will achieve the style you have always wanted.

The unique feature of the spray is that it offers 2 nozzles. By switching between the two, you can control the particle size & volume to be sprayed. This flexibility enables to assist your creativity. Spray allows you to have maximum hold but will not limit to that and gives light bouncy look or add the intricate curve to your hair. Therefore DENIS ORIGINAL SPRAY will be your answer to attain more bold and artistic style or to give an extra hold to your current style throughout the day.

Ingredients are carefully chosen and very gentle on your hair and skin. It is soluble in water so that it can be washed out easily at the end of the day.

Provoke your creativity with DENIS ORIGINAL SPRAY.

An infinite array of possibilities is opened up in front of you.
